

## Product Design Change Z711 & Z712

Please be advised that the Ryco Z711 & Z712 Common Rail Fuel Filters are now supplied with the o-ring that fits onto the water sensing unit. This rolling change is effective immediately to current stock leaving the GUD warehouse.

### Z711

Suits: Nissan Navara D40  
2.5 Turbo Diesel  
YD25 engine (Spanish Built)

### Z712

Suits: Nissan Patrol GU VI  
3.0L Turbo Diesel  
ZD30D engine

The inclusion of the o-ring will assist the mechanic when fitting a new Z711 or Z712 fuel filter and eliminates the re-use of old and distorted o-rings that can cause leakage.
